

Team Membership Process for KY USAW 2015-2016 Season

HS, MS and Youth Coaches,

Coaches need to go online <http://www.teamusa.org/USA-Wrestling/Membership> to renew or start their registration.

Also visit the coaches section for more info,
<http://www.teamusa.org/USA-Wrestling/Membership/Coaches>

You will begin the registration process. If you do not have a current back ground check, you will be re-directed to complete or update a background check. Make sure in stage 2 you choose **Kentucky Wrestling Assoc.** you will not be charged for background fee. You will receive an email saying that you have passed the background check and can return to your online account to finish your registration. ***Back ground checks are good for two years*.**

If you are going to pay membership for your coaches, when they have received their email stating that they passed their BG check they can continue with their registration online and pay with Credit Card (\$50), or they can send me check for \$50 and I will complete the online registration process.

Note: you can renew all coaches, athletes and club on one invoice and send with Team/School check.

To receive the kid's "\$15 LIMITED FOLKSTYLE MEMBERSHIP" (League Card), you must register/renew each wrestler online, or have the parent **renew/register** their kid's membership online at: <http://www.teamusa.org/USA-Wrestling/Membership>

****The \$15 LIMITED FOLKSTYLE MEMBERSHIP" (League Card) will only be available to purchase from 1 September thru 31 October.** After 31 October date, you must purchase the full membership card \$40 for your team members. The \$15 LIMITED FOLKSTYLE MEMBERSHIP" (League Card) will be available again after **March 1st** post season club enrollment.

With our new Tier program offered by USAW, parents may want to upgrade to a different level for their child. This gives parents the option to renew or upgrade on their own. Their cards can be downloaded immediately at the time of purchase. Parents can give you a copy of their child's card. There is no other charge for online purchase.

Note: **If you do not have an active USAW Club Charter for your team, your team members registering online will not be able to register under your team name.** Charter your club **ASAP** and let your wrestling members know **your chartered team name**. *Please advise your athletes/parents to select your club while registering online.

Remember to **sanction your tournaments** to abide by KSWA and the USAW insurance policy of liability for your facility and kids.
